

## International Journal of Public Research in Medicine and Health

### Copyright and Author Agreement Form

Title of Manuscript: \_\_\_\_\_

Short Title: \_\_\_\_\_

#### Author Declaration and Agreement

We, the undersigned author(s), hereby declare and agree to the following terms:

##### 1. Copyright and Licensing Policy

Upon acceptance of the manuscript for publication in the *International Journal of Public Research in Medicine and Health (IJPRMH)*:

- The authors **retain the copyright** of their work.
- The authors grant the journal a **non-exclusive right to publish, reproduce, distribute, and archive** the article in all forms and media (print and electronic).
- The published work will be licensed under the following license:

##### Creative Commons Attribution-NonCommercial-NoDerivatives 4.0 International License (CC BY-NC-ND 4.0)

Under this license:

- Others may **copy and redistribute** the material in any medium or format.
- Proper **credit must be given** to the original author(s) and journal.
- The material **cannot be used for commercial purposes**.
- The material **cannot be modified, transformed, or built upon**.

##### 2. Author Warranties

The authors certify that:

- The manuscript is **original**, and has not been previously published (except as a preprint or abstract where applicable).
- The manuscript is **not under consideration** elsewhere.
- All listed authors have made **substantial contributions** to the work.
- The manuscript does not infringe any **copyright, intellectual property, or proprietary rights**.
- Proper permissions have been obtained for any copyrighted material used.

##### 3. Conflict of Interest and Funding Disclosure

- All authors declare that any **financial or non-financial conflicts of interest** have been fully disclosed in the manuscript.

- All **sources of funding** supporting the research have been appropriately acknowledged.

#### 4. Ethical Compliance

- Studies involving **human participants** comply with the *Declaration of Helsinki* and institutional ethical standards.
- Studies involving **animals** comply with relevant ethical guidelines.
- Necessary **ethical approvals** and **informed consents** have been obtained and documented.

#### 5. Rights Retained by Authors

Authors retain the right to:

- Use the article for **academic, teaching, and research purposes**.
- Share the article on **personal websites, institutional repositories, or academic networks**.
- Include the work in **theses, dissertations, or future publications**, with proper citation of IJPRMH as the original source.

#### 6. Author Responsibility

The corresponding author confirms that:

- All co-authors have read and approved the final manuscript.
- All authors agree to the terms of this agreement.
- The information provided is accurate and complete.
